SAFETY GUIDANCE

IS IT SAFE?

Before performing any task, the following questions should be considered:

- Does the task need to be performed?
- Is this task safe for my own wellbeing and that of the sailor?
- Have I read and understood the DSG Operating Procedures and where applicable the Risk Assessment?
- Is there a safer way to perform the task? If so, seek approval from the OOD.
- Do I need assistance to perform the task? If so ASK.
- Am I competent to perform the task? If not ASK for help or decline to undertake it.
