The distance between car parks and pontoons will be an issue for all stakeholders. Ian Wakeling, Principal, is in ongoing discussions with Premier to find solutions. 4. Robert Boyd expressed concern over the difficulty of access to the cabin in the Quarry boat park. The Principal confirmed he is in discussions with Premier to supply a suitable pathway to the cabin. 5. Ian Wakeling informed the meeting that Darthaven marina has agreed to a hoist as an option if their engineers are able to install it. The location of Dart Sailability's existing hoist may also change. Information will be posted on the website. Ian asked members to raise any concerns with the management team.
